EASY CLEAN

INTRO

This set of harness combines many features normally associated with more expensive harness to produce a set that is lightweight and comfortable for your horse and yet is still virtually maintenance free. Simply hose or wipe down. This set is made from the heavy rubber sealed web with a super soft waffle lining. The pad still has a flock filled panel, which will mold to the shape of your horses back and allow for changes in shape. The fittings are stainless steel throughout.

Features include: Suregrip reins.

Sliding backband (can be fixed by the use of stabilizing straps).

Excellent adjustability.

Separate soft crupper dock (buckled either side for ease).

To achieve this competitive price it is not available made to measure, but can be purchased in a combination of sizes to ensure a good fit. Please fill in a measurement chart in order that we may select the best sizes for your horse.

PRICE- Under 14hh - £314, 14hh & over - £341
